

40 Ton Shop Press

- Footprint 7'4" x 8'
- Shipping weight 400 lbs
- Easy and quick controls
- 10 connections
- 51/2" consistent height

The 40 Ton Shop Press is a high and durable tool and a headliner in the shop. The open side design allows for material to pass through. Power it with a Cleveland Steel Tool Ironworker in the shop or the Power Pak or the Power Pak portable power unit.
